**ISRAEL**

25.09.2017

**Certificate**

**This is to certify that the propagation material of the deciduous fruit trees, subtropical, olive, grape pomegranate and citrus varieties were produced under official control, meet the Israeli standards and are not transgenic.**

**This certificate is issued by the Plant Protection and Inspection Services, the competent authority in Israel for approving and monitoring the deliberate release to the environment of Genetically Modified Organisms (GMO's), for research and development, as well as for placing on the market of those products.**

**Sincerely yours,**

**Professor Abed Gera**

**Director**

A handwritten signature in blue ink, appearing to read 'Abed Gera', is written over the printed name and title.
